JUDGMENT

Petitioner submits that he had made Ext.P1 application for variation of permits. As the application has not been considered by the first respondent, he submitted Ext.P2 request to the District Collector who is the Chairman of RTA, who directed inclusion of the petitioner's application in the agenda for RTA meeting. Petitioner submits that subsequently though RTA meeting was held on 17.11.2007, Ext.P1 application was not considered. It is in these circumstances, writ petition has been filed praying for a direction to the respondent to consider the matter in the next meeting itself.

2. I heard the learned Government Pleader also in this matter.

3. In view of the fact that Ext.P1 has not been considered till date, despite Ext.P2 request on which the District Collector has also passed an order on 19.7.2007, I

dispose of this writ petition directing that Ext.P1 shall be considered by the respondent as expeditiously as possible, strictly following the priority.
